You know it, when you see it.

It's not just a roof. It's a Landmark.

Quality. Durability. Style. Color.

When you select a roof for your home,
there's a lot to consider.

That's when a roof becomes more than just a roof.
The same way a home is more than just a house.

You want the best for your home
and everything in it.

So why guess, when you can be **Certain** ?

LANDMARK® SERIES

exceptional value

Landmark Series offers four levels of high performance shingles in weight and thickness. The heavier the shingle, the more depth, thickness and dimension it offers. All four offer the exceptional value of the industry's toughest fiber glass mat, the strongest materials available and the best warranty.

lasting beauty

Landmark Series is a durable and beautiful color-blended line of shingles with the widest array of colors to suit any trim, stucco or siding color. They endure time and weather beautifully.

peace of mind

CertainTeed's enhanced lifetime limited warranty protects against ANY manufacturing defects, which include aesthetic defects.

LANDMARK® TL

the ultimate power shake

Three laminated layers of the industry's most durable materials, providing a dramatically thick roofing product styled with the classic appeal of wood shakes. Like a real wood shake, it's truly dimensional in shape, with distinct butted edges and long-lasting curb appeal.

Landmark TL costs a fraction of natural wood shakes, but the benefits don't end there. Unlike wood, it won't rot or decay, and it offers excellent wind and fire resistance.

Landmark TL. Don't just choose it for the triple-layer durability, originality, or even the cost advantages. Choose it for the power of its position... high above all the rest.

Integrity Roof System™

A systems approach combines high-performance components – underlayments, shingles, accessory products and ventilation – to make the Integrity Roof System a complete roofing solution. When you choose an Integrity Roof System, you gain the advantage of having CertainTeed as your single manufacturing source to stand behind its roof system components.

WinterGuard®

Waterproofing shingle underlayment prevents leaks from wind-driven rain and ice dams in vulnerable areas.

Roofers' Select® or DiamondDeck®
High-performance underlayment provides a protective water-resistant layer over the roof deck and a secondary barrier against leaks.

Starter Shingles

Starter shingles are designed to work specifically with each different type of CertainTeed shingle for maximum performance.

CertainTeed Shingles

High-quality shingles available in a wide variety of styles and colors, covered by the strongest warranty in the business.

Flat Roofs

Flinthastic roofing products are available for flat roof areas.

Hip & Ridge Caps

Accessory shingles are used to finish the hips and ridges of the roof and are designed to complement the appearance of CertainTeed shingles.

CertainTeed Ridge Vents

CertainTeed Ridge Vents combined with sufficient intake vents, such as CertainTeed Intake Vents, are the most effective ventilation system.

Introducing more value

Landmark Pro is designed specifically for the professional roofing contractor that takes pride in providing more to their customer.

Landmark Pro improves upon the CertainTeed Landmark shingle, a leading consumer publication's "Best Buy" for the past five years.

We started by adding more weathering asphalt to the industry's toughest fiberglass mat to provide more protection. Then we incorporated our Maximum Definition color blend technology to give the product more vibrancy on the roof. Included is the proven performance of our NailTrak feature, enabling faster installation.

easy selection

Add a little accent to your roof.

CertainTeed offers Mountain Ridge, an accessory product used for capping hips and ridges. It is the perfect finishing touch for your roof, offering blended color and high-profile design. CertainTeed also offers Shadow Ridge accessory, a low-profile design for capping hips and ridges.

Color Companion Products™

With CertainTeed Flintastic® SA, you can coordinate flat roof areas like carports, canopies and porches with your main roof. Flintastic SA is a self-adhering low slope roofing product available in eight colors that match some of the most popular CertainTeed shingles. Ask your contractor for more information.

Lifetime limited transferable warranties, including 50-year limited warranties, are available in the United States, its territories and Canada. For products sold outside these areas, please refer to the International Warranty for specific details and limitations.
